

Health Facility Registration Steps

Step 1

One time Health Facility Registration

Step 2

DTO approves the Health Facility Registration.
SMS Message to HF user that Health Facility Registration is approved.

Step 3

Notification can begin from HF User login using credentials.

Step 1

- Visit: Nikshay.gov.in
- Click New Registration
- Fill details in the Health Facility Registration form.
- Submit the form
- Nikshay will issue you a User ID. Please note it down along with the phone number you have registered for your reference.

Step 2

- Your details will automatically forwarded to your District TB officer(DTO).
- Once DTO approves the registration, you will prompted by an SMS.
- After your Health Facility has been approved, you will be able to notify TB Patients.
- If you do not receive the SMS regarding the approval contact your DTO using the directory in this [link](#).

Step 3

- Notification can be done by two methods
 1. Web: Nikshay.gov.in
 - Choose Private in the **Sign in to Nikshay** Panel.
 - Enter your User ID and Password (your registered mobile number)
 2. Android Mobile app:
 - Download APK file from [this link](#).
 - Enter User ID and password to log in

If you have misplaced your User ID, password visit : Nikshay.gov.in

- Choose Private in the **Sign in to Nikshay** Panel. → Click on [Forgot ID](#) → Fill your details and get user id.
